Hope & Help Re-Opens with New Medical Clinic

ORLANDO, FL, January 22nd, 2018 – The Hope and Help Center of Central Florida, Inc. (Hope & Help) hosts its Grand Re-Opening on Friday, January 26th, 2018, 5:00p-8:00p at its new facility at 707 Mendham Boulevard, Suite 104, Orlando, Florida 32825. The Grand Re-Opening will showcase remarks from Commissioner Patty Sheehan and The City of Orlando’s Mayor’s Office and cover the organization’s expansion of services, including the addition of a new medical clinic.

Hope & Help Executive Director Lisa Barr adds, “One (1) is our favorite number! We are one (1) step closer to becoming a one (1)-stop shop for our clients to get all of their wellness needs met in one (1) trip. They see their medical provider, case manager, mental health provider, health educator, food assistance coordinator, and pharmacist plus get labs completed all in one (1) visit! That provides one (1) more opportunity to get into and stay in care! It’s powerful!”

Hope & Help’s expansion of services will include on-site providers for medical care, all-encompassing STD screenings and treatment, urgent care, and full primary care for youth, adults, and seniors. The new facility offers increased opportunity for more outreach programs, improved service delivery, and smarter community impact.

The entire community is welcome to attend the Grand Re-Opening. No registration necessary. Donations will be accepted onsite.
